HOMEWORK FOR THE WEEK

Module 1

Mon: L17 Tue: L18 Wed: L19

Thur: No Homework Fri: No Homework

This Week

This week students will be taking a test of Module 3! Which signifies that we are halfway through our curriculum.

Students will need to know and be able to explain relationships within a coordinate plane. They will need to be able to plot points and describe their locations. They'll need to be able to explain absolute value as a distance from zero and record values for real life scenarios such as having a debt a 200 has a value of -200.

Language Arts/Writing

Collection 2: Animal Intelligence

Read *The Mixer*, pgs. 73-88, Due 01/06

Analyze the Text, pg. 90, Due 01/08

Mr. Roberts & Ms. Raade: Introduction to Learn2earn. SSR (Reading Sustained Silent Reading Book) Each student must be consistently reading a chapter book, which must be brought to class each day that will be used for logging reading minutes in class, along with required comprehension responses.

As a class, we have set a weekly goal that each student will read an average of 150 minutes per week outside of the school day. Students will log their reading minutes in Learn2earn.

OBOB will meet this Wednesday, during Lunch/Recess, in Mrs. Kay's room.

Social Studies / Science

BIG IDEAS: This week I will be introducing the Science Fair. I will be passing out the Science Fair timeline and requirements. This information will also be posted on my classroom blog.

On the 6th grade PHES school supply list students were suppose to bring in a black, poly-vi, 3 prong folder for the Science Fair. Students who do not bring in a black folder will make one out of black construction paper. (This is how students have done it for the past several years.)

HOMEWORK:

***Correct Science Test for additional $\frac{1}{2}$ points using Science Notebook- Due Weds. 1/6**
