HOMEWORK FOR THE WEEK

Module 4

Mon: Lesson 24 Tue: Lesson 26 Wed: Lesson 28

Thur: 29 Fri: Lesson 30

This Week

Students will be working on solving inequalities to find the value of a missing variable. The steps are listed below...

- 1) Work backwards - get the variable by itself by completing the opposite operation. This relates to the identity property where opposites add/subtract to zero and opposites multiply/divide to make one.
- 2) That's it

The test for module 4 is scheduled for next Friday (2/12/16). A study guide will be passed out on Tuesday, and a study session is Thursday (2/11/16).

Language Arts/Writing

Literature Circles: Students meet with their group three times per week, responsible for reading a specific amount of pages from their designated book each day, while completing their literature role responsibilities each day.
