

### HEADLINE NEWS!!!

#### Upcoming Important Dates

- 5,25 Early Release @1:15
- 5/30 Memorial Day- No School
- 6/2-6/3 Outdoor School Education Days
- 6/9 Billie Business
- 6/13 Student Middle School Transition Visit
- 6/13 Parent Transition Night at 6pm

#### Missing Assignment Reports

Missing Assignment Reports are passed out every Wednesday. All students need to obtain a parent signature on grade reports and return to their homeroom.

**Field Day Volunteers:** We are looking for volunteers for field day on 6/15 from 8:00 am to 10:30 am. Please contact your homeroom teacher if you are available!

### Language Arts/Writing

*This week students are exploring a Language Arts unit about animal intelligence. We are exploring the theories that scientists and behavioral psychologists have discovered about animal behavior. We will be researching and sharing thoughts about animal behavior and evidence of intelligence.*

*Please feel free to contact me at Ms. Kay's contact information if you have any questions.*

### HOMEWORK FOR THE WEEK

**House Design - Due June 10th**

#### This Week

Students are working hard at designing their own house. The point is to use a multitude of math concepts from measurement to ratios to basic operations in a real-world situation. Students become architects and problem solve using spatial reasoning. We started by selecting a specific housing development and work towards a finished product. Students are responsible for creating three floorplans: bird's eye view, front and foundation (pipes). These floorplan designs must meet the codes set by their specific housing zone. Have fun! The project is currently set to be due June 10th. High expectations have been set.

### Social Studies / Science

#### BIG IDEAS: Astronomy & Space Science

- \*Earth's Motion
- \*The Moon- Earth's Satellite
- \*Solar System
- \*The Planets

#### HOMEWORK:

**Finish the day's journal activity by next day  
Moon Oil Pastel Due Friday 5/27**
